

CONNECTICUT STATE FIREFIGHTERS ASSOCIATION, INC.

Greetings Friends of the Fire Service!

First, we would like to thank you for your tremendous support over the past years. Because of your commitment and involvement, the Memorial Committee has been able to construct and maintain our beautiful Fallen Firefighter Memorial at the Connecticut Fire Academy. This monument will always be a tribute to the many firefighters whom have paid the ultimate sacrifice in order to protect the lives of our States citizens.

Fifteen years of weathering the elements have taken their toll on the Memorial. The panels bearing the names of those who perished in the line of duty are deteriorating and fading. Also, the ongoing support to maintain the current level of upkeep it takes to run our program continues. In the tradition of the firefighter brotherhood, we need a strong response from the masses to properly maintain the memory of our fallen brethren. We know that you and your organizations understand the importance of remembering the Connecticut 343 fallen firefighters along with their families they have left behind.

Attached is an informational brochure which will give you additional information regarding our Memorial Drive. Also, note we are a 501-C-3 organization and your donation may be tax deductible. Also enclosed is a pledge form with levels of sponsorship.

Sincerely,

Chief John Carew, President
Connecticut State Firefighters Association
